

Frascati: More than your Average Pizza Place

Staff Writer

In a city where pizza and Italian cuisine are hardly a rarity, Frascati Restaurant and Pizza is a refreshing Italian eatery. Frascati offers delicious food while maintaining a relatively casual atmosphere, perfect for students and families.

Located in the heart of the Newfield Green shopping center, Frascati does not boast in size. In fact, the restaurant itself seats only about 25 to 30 people, as a large portion of Frascati's business stems from its take-out services. However, what Frascati may lack in size, is made up for in its menu.

Frascati presents a large variety of menu items, satisfying any course. Pizzas of any size, topping or sauce are available throughout the day. Appetizers including fresh bruschetta, salads and calzones are perfect for lunch or a light meal. The dinner selections are also expansive. Pastas, spaghetti and specialty pastas such as tortellini are all available at Frascati. Yet, no dining experience would be complete without dessert; those offered at Frascati range from tiramisu to cheesecake.

Not only is the menu extensive, the food is delectable and affordable. The flavors complement one another to create savory dishes full of fresh ingredients. The prices are slightly higher than your average pizza parlor, but the quality of the food is more reminiscent of a fine restaurant. Frascati is a prime example of good food without breaking the bank.

Frascati is a hidden jewel in the realm of Stamford Italian eateries. It is excellent food that is reasonably priced nestled in the suburbs of Stamford.
