## Password

Choose a strong password and don't reuse it for other accounts. Learn more

Changing your password will sign you out on your devices, with some exceptions.

**8-Choose a new secure password and enter it on both lines**

**9-Click Change password**

New password

Password strength:

Use at least 8 characters. Don't use a password from another site, or something too obvious like your pet's name. Why?

Confirm new password

**Change password**
